Here, a sommelier leads a relaxed tasting of regional Italian wines paired with a home-cooked lunch, blending mountain air, story-filled glasses and the feeling of being a guest, not a tourist.

Your day begins with a private transfer collecting you directly from your accommodation and taking you to the starting point of the famous Sentiero degli Dei (Path of the Gods), one of the Amalfi Coast's most scenic and rewarding trails. As you make your way into the mountains, the landscape opens into sweeping views of dramatic cliffs, terraced hillsides, and the shimmering Mediterranean below.

Accompanied by an experienced private guide, you'll hike at a comfortable pace along ancient paths once used to connect hillside villages. Having a guide is highly recommended, as the trail includes uneven terrain and multiple route variations, ensuring both your safety and that you follow the most suitable and scenic path. Your guide will also enrich the experience by sharing local stories, legends, and insights into the region's nature, culture, and history along the way.

The hike is moderately paced and can be tailored to your fitness level, making it ideal for active travellers who want to experience the Amalfi Coast from a unique and elevated perspective. Expect incredible photo opportunities overlooking Positano, Praiano, and the coastline, with plenty of time to pause and take in the views.

At the end of the hike, your private driver will be waiting to transfer you comfortably back to your accommodation, creating a seamless and stress-free day.
